

The history beneath Central Park

Seneca Village Tour

Before Central Park, the landscape along what is now the park's perimeter from West 82nd to 89th Streets was home to a thriving, predominantly Black community known today as Seneca Village. Join us for an interesting tour to learn about the history of this part of Central Park.

After the tour, we will have a drink and snack.

Please be aware that the Seneca Village tour (90 minutes) includes one brief steep incline and may go off paved pathways. Please plan to your own personal abilities.

\$5
per person

TUESDAY
Sept. 1
11:45 a.m.

Meet at West 85th St.
& Central Park West
